

Dear Parents,

As we journey through Holy week, from Jesus arriving in Jerusalem on Palm Sunday to His crucifixion on Good Friday and His wonderful rising to new life on Easter Sunday, we understand all that God did for us. I hope you all enjoy this Eastertide at home with your children, the circumstances may be different this year but knowing that your children are safe with you, brings great comfort at this time I'm sure.

Across the Nicholas Postgate Academy Trust, teachers (apart from Miss Wright who will be in school with me next week) will be taking a break from setting work for the children across the Easter holiday. I must thank my teachers for their hard work in trying hard to set work for the children to complete at home that is both linked to key learning for their year group but also provides opportunities for creativity and independent work. I know that they have spent a lot of time planning activities and responding to work that has been set.

I think it is important that our children now have a break and that teachers do too. After today, new work will not be set until **Monday 20th April**. Miss Wright will take her break at a later date and I will inform FS2 parents when this will take place.

However, school will remain open every day including Good Friday and Easter Monday for parents of key workers as well as across what would have been the Easter holiday.

I hope that the national lockdown will end soon and that the children will return to school, it is certainly a quiet place without them!

Please take care everyone,

A G Toward
