This Week

Return to School

Well done to Y1 children who have returned to school so well this week.

First Holy Communion

Of course some of our children should have made their First Holy Communion last week. We haven't forgotten about you and hope to make new arrangements as soon as possible.

Dear Parents,

I hope you have had a good week. School is getting busier now that Y1 children are back.

Y5 parents have been contacted this week about whether they would like to take up the offer of a place at school from the 29th June, if I decide to extend opening. Thanks for your responses, the deadline for informing school as to whether you would like to take a place is Monday 22nd June. A lot of decisions need to be made and paperwork completed before we can ensure that we are ready for additional groups. I will inform Y5 parents as soon as I can about this and give information about drop off and collection times ASAP.

Google Classrooms.

Please remember that teachers are now teaching 'bubbles' in school as well as setting and marking work for their year groups. They have some time to do this within the school day but are also working hard at home. Work may be uploaded at different times of the day but new work will be set each day for those children not in school. Paper copies are available. If needed please contact the school office.

Uniform

We continue to plan ahead for September by holding two uniform evenings. The first will take place next week on Wednesday 24th June. The second one being held on Wednesday 8th July. Both will be 4pm to 6pm.

Staff from Lollipops will be on site to show samples of uniform. Unfortunately children will be unable to try uniform on but staff will be able to assist with advice on sizing. If you would like to attend one of these evenings, please contact the school office as we need to allocate time slots to ensure social distancing.

Stars of the Week

FS2 - Charley & William

Yr1 - Dexter & Holly

Yr2 - Benjamin & Meadow

Yr3 - Lauren & Isabelle

Yr4 - Lucian & Macey

Yr5 - Chloe & Jacob

Yr6 - Gracie & Scarlett

Well done everyone!

School Times

I am starting to prepare for the return of Yr5 on the 29th June and have therefor made a couple of amendments to current arrangements.

Keyworkers - 8:35am to 3pm PROMPT

Y1 & Y6 Group 1 - 8:45am to 3pm PROMPT

Y1 & Y6 Group 2 - 9am to 3:10pm PROMPT

It is extremely important that you drop children off at their given start time and also pick them up promptly at the given time. We are working hard to try to maintain social distance and the late arrival of some children is not helpful. This also means children are late for registration and lessons. I must also remind you that children should be picked up promptly.

Only children form Y6 who have completed the walking home consent are allowed to leave the school premises without an adult.

Thank you for your support with this.

National Writing Day

The local museums are making a virtual 'Museum of Kindness' on Wednesday 24th June but they need your help! They do not have any artifacts so have asked all of our children (Little Joeys - Year 6) to draw a good quality picture of an act of kindness. It could be something that has happened to them or something they have come up with.

Each artifact (picture) will need a piece of writing with it explaining what it is about. This can be in the form of a poem, a story or even a label but will need to be typed please. Please send pictures and typed text to teachers through Google Classrooms or our FB inbox. Please do not use names which can identify children otherwise these will not be entered.

A link will be posted on our Facebook page on Friday 26th June for you to see your artifact in the museum.

Have a lovely weekend.

A G Toward
