

Newsletter 35

Dear Parents,

Well done to our Y5 children who have returned this week. It is amazing how well all of the children have done and lovely to hear them playing. School is running at capacity now, ensuring 'bubbles' are kept apart means classrooms are all in use.

Staffing Update.

Governors have made a great appointment this week. In September we will welcome Mr Liam Atterton as our new teacher, we look forward to working with him.

Congratulations also to Miss Wright who has been appointed as Assistant Head Teacher and to Miss Ayton who has also joined our Senior Leadership Team. We go into the new academic year in a very strong position.

Schools in September.

You will know that schools are set to reopen to all children in September. I will work hard to ensure that all guidelines are put in place so that school will be a safe place.

A huge amount of guidance was published yesterday and I will inform you of our school arrangements as soon as I can.

NPCAT has made the decision that our schools will not be open over the summer break. Therefore St. Joseph's will close on July 17th and re-open to children on Wednesday 2nd September.

End of Year Reports.

This year's reports will be sent via email. If you haven't already done so, send your email address to enquiries@stjosephs.npcat.org.uk

Consent Forms.

Moving forward, Consent forms will be sent out electronically so having your email address is imperative.

Classes in September.

Class teaches for September shall be announced next week.

Transition.

Although we are not able to have our normal transition arrangements, I think it is important that our younger children know where they will be in September. Children that are moving from Little Joeys to FS1, FS1 to FS2 or FS2 to Y1 are welcome to come into school for a short meeting with class teachers. We will make appointments via our welfare calls next week.

If you have a child currently in Y1 to Y5 who have not been attending school and you feel that they are anxious or you have concerns, please contact us. Visits to see their new class teacher may be helpful for these children.

Uniform.

There is another uniform evening on Wednesday 8th July 4 till 6pm. You can order your uniform directly with Lollipops and can look at sizing if you are unsure. Alternatively uniform lists can be seen on our website and orders can be telephoned through to Lollipops.

Lollipops are still delivering all uniform orders to the school.

NPCAT.

Well done to Oliver P whose entry to the NPCAT competition was highly commended. A Great effort! Well done to the other children who also took part.

Arrangements for drop off and collection.

Just a reminder that children and parents must not congregate at school entrances. Please arrive at school just in time for your drop off and collection so that we don't have groups mixing. Thank you for your support with this.

Y6

Y6 children were supposed to be enjoying some sports activities today but, as the weather isn't great, we have postponed this until Monday. Children can wear PE kits all day on Monday. They will also enjoy a silent disco on Friday 10th along with a Pizza lunch. Can't wait to see them all dancing.

Online Learning.

Next week will be the last week that teachers will plan work on Google Classrooms.

STARS OF THE WEEK

FS1- Gabriel & Connie

FS2- James & Imogen

Y1- Oscar & Henry

Y2- Fiann & Eva

Y3- Konrad & Sofia
