

**Dear Parents,**

I have met with our Trust this week and am completing plans for September. These will be sent out to you by Wednesday next week so that you know what the arrangements are for children's return to school in the new academic year.

**School**

School remains open to key workers and identified year groups. It is now running at capacity.

**End of Year Reports**

The school office has emailed out reports this week. In the interests of safety, paper copies won't be routinely sent out this year. If you have sent your email address into school and not received your child's report, please contact us, a very small number of reports have bounced back!

**Google Classroom**

Well done to all those children who have accessed resources on Google Classrooms throughout the lockdown. We have been really impressed with how well the children have done.

**Uniform**

Uniforms have already arrived for those who ordered them at the first uniform evening. These can be collected from school. If your child is currently attending school, packages will be sent with them. If you need to make an order, please take advantage of the fact that we are subsidising any orders made before July 17th. St Joseph's expects all children to wear the correct school uniform.

**New to FS2**

We normally have a meeting for parents of children who are starting school in September. I know many of you have arranged meetings with Miss Horton this week and we will put our transition booklet on our school website on Tuesday 14th.

## Meetings

Lots of you have arranged to have a meeting with your child's teacher. If you haven't already done so and would like to meet, please ring or email [enquiries@stjosephs.npcat.org.uk](mailto:enquiries@stjosephs.npcat.org.uk)

## Y6

Y6 have had a lovely afternoon today. They have enjoyed a silent disco which means it was certainly a lot quieter than our usual ones. They ate their fill of pizzas for lunch too!

They are looking forward to their treasure hunt and barbecue on Thursday next week. I am looking forward to their presentation on Friday next week. Unfortunately we are not allowed to have visitors in school but hope to video the occasion and send copies to you so you don't miss out! Not our usual ceremony but I'm sure the children will still enjoy it.

### **Treats**

All of the other children who have been in school deserve a treat too! Each bubble has something planned.

Key workers - Children will be having a teddy bears picnic with an ice cream on Thursday with EYFS and KS1. KS2 children will be having a movie with hotdogs and treats. Children can wear their own clothes on Thursday.

Y1- Children will have a pyjama party with a movie and popcorn on Thursday next week. They can come to school in their pyjamas.

Y5

The children wanted a trip to Gabriella's in Redcar but, as this is not possible, they are going to make their own pancakes with ice cream and all sorts. They too are having their treat on Thursday and can wear their own clothes.

### **After School Clubs**

We hope to resume these in September. Clubs will finish at 4.30pm in the new academic year. As they start at 3.15, this still leaves plenty of time for children to enjoy their activities.

### **Charges**

Charges for the school minibus, clubs etc will all remain the same for 2020/21. Governors felt strongly that, in the current climate, we don't increase these. We are delighted that we will be able to continue to offer Little Joey's places free of charge in the immediate future.
