

Newsletter

Dear Parents,

Lovely to see the children back in school, especially as lots are in their summer uniform and Y6 have their leaver's hoodies on. I hope you all enjoyed the Easter break.

Marvellous Me

As you know, we use Marvellous Me to send messages home and to send rewards home for children. Please make sure that you don't miss out by making sure that you have downloaded it. You are now able to download the Marvellous Me parent app on any Android device through the Google Play Store.

Year of St Joseph

As we work our way through the year of St Joseph, we will look at how he protected Jesus and Mary. We will also look at others who protect us in our daily lives.

Please follow this link to see some lovely family resources that can be used at home.

Covid Restrictions

We will continue with current arrangements until guidance for schools changes as we ease out of lockdown. Thank you for adhering to them.

RE and Curriculum Newsletters

Both will be available on your child's Google Classroom page so please check so that you can see what is being taught in RE this term and what will be the focus of learning in each class. Of course other practical information such as PE days is also on each class's newsletter.

Homework Menus

Teachers have planned new homework tasks for their new topics. We had some great work in last half term so let's see if children can work just as hard this term. Certificates were sent out in the final week to all those who had completed the tasks set.

Local Visits

Fortunately, classes can now start to take children on local visits so teachers are trying to get visits planned.

Y5/6 Residential

The visit to Edinburgh will hopefully be able to go ahead. Residentials may be allowed after May 17th but this is dependent upon national data. Thank you for returning the form that was sent out before the holiday, it is evident that most parents are happy for children to take part should we be able to. I will inform parents as soon as possible if the visit is feasible this year.

Little Joey's

We have enjoyed lots of sunny mornings for their first week back. The children have been exploring lots outside looking for worms and bugs. We are very excited to have tadpoles for the first time.

After School Clubs

After school clubs are now up and running. Clubs run until 4.30pm and children should be collected from the school entrance. Please remember that clubs need to be paid for in advance via Parent Pay.
