

1 homework point tasks

- Research an animal whose habitat is in South America
- Write a diary of an imaginary trip to The Amazon Rainforest – what did you see, hear, feel etc
- Design your own Rainforest creature. Draw or make your animal and write a description of it. Think about: What it is like, where it lives, what it looks like, what it eats, who hunts it.
- Compose and perform a rainforest dance/ music.
- Create 'Did you know?' fact cards about the rainforest.
- Create a word search/ crossword puzzle using at least 12 rainforest keywords.

Amazon adventure!

5 homework point tasks

- Make a shoe box model of a rainforest showing the four levels (forest floor, the understory, the canopy and the emergent layer)
- Create a puppet of a rainforest animal.
- Find out about products which come from the Rainforest, identify what they are used for and who uses them.

By the end of the half term, you should aim for a minimum of 20 points.

3 homework point tasks

- Design and carry out an experiment to prove that water evaporates. Draw a labelled diagram which clearly explains how your experiment worked.
- Learn all you can about the climate and weather in the Amazon rainforest. How does it compare to that of where you live? Present your findings in a creative way!
- Imagine you have been lost in a rainforest. Write a top ten survival list for jungle survival.
- Write a formal letter to the Government to persuade them to 'save our rainforests'.
- Research fruits that are grown in the Amazon rainforest and write a recipe for a fruit salad.
