## St. Joseph's Nursery 30 Hour Provision Parent-School Agreement

The Government introduced 30-hour childcare provision to support working parents with childcare.

Information detailing the criteria for eligibility for this scheme is available by visiting:  
<https://www.gov.uk/30-hours-free-childcare>

You will be asked to input information about your personal circumstances to see if you qualify for the 30-hour provision. If you do qualify, you will be given a code which you should bring to our Nursery, together with your National Insurance (NI).

The school office will check the code's eligibility and we will then, depending on the places available, confirm if a 30-hour place can be given.

There are a limited number of places available. Preference for places is given first to children who are already attending our Nursery. Following this, places will be allocated in order of age, eldest first.

Parents will be asked to pay £2 day (£10 week) to cover lunchtime staffing.

Please complete and return the form overleaf and return to Nursery.

Thank you.

### What the 30-hour provision looks like in our Nursery

- Parents will be asked to pay £2 per day to cover lunchtime staffing.
- You will be asked to provide your child with a healthy packed lunch and a drink.
- If your child is absent from Nursery the daily £2 cost will still apply.
- You must pay online via ParentPay. It is your responsibility to keep up to date with payments or the offer of the 30-hour provision may be withdrawn.
- You will need to reapply for your 30-hour code every three months and notify school.

More information about this process is available through the Government website. Please speak to Nursery/ the office, if you need any further advice. You will need to read and sign the consent below to show your agreement to these arrangements. Once you have signed it, please bring it into Nursery and you will be given a copy to keep.
