

Dear Parents/Carers

### **Birthday Celebrations in School**

As a result of current COVID-19 restrictions, children are missing out on celebrating their birthday with family and friends as they usually would, with parties or gatherings that are not allowed at this time. We understand our children have already had so many changes and had to adapt to new rules and regulations, both at home and school.

The childrens' emotional wellbeing is very important to us; therefore, we would like to give them the opportunity to celebrate their birthdays in school, with their class friends. We have decided we will hold a birthday party within each class on the last Friday afternoon of each month, to celebrate the birthdays that month.

School will arrange games, activities, snacks, a party atmosphere and a cake. Children must still come to school in their school uniform.

If your child has already had their birthday in September or October, they will be included in the first birthday celebration in November.

All of the party costs will be covered by the school.

We look forward to giving every child the opportunity to celebrate their special day!

God bless
