

12.12.2020

FOR PARENTS OF NURSERY AM, 30 HOURS & 2 YEAR OLD PROVISION

Dear Parent,

Return to school 14th December 2020

Following updated legislation and advice from Public Health England, the self-isolation period has been shortened from 14 days to 10 days, from December 14th 2020.

If your child is well, then they can return to their usual activities and school on December 14th 2020.

What to do if your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If your child develops any of these symptoms of COVID-19, they should remain at home and arrangements should be made for them to be tested. At that time all other household members must also stay at home, not go to work, school or public areas, even for exercise.

Testing can be arranged by calling 119 or via the NHS website: nhs.uk/coronavirus

When the result of the child's test is known further advice will be available.

How to stop COVID-19 spreading

To live, love and learn with the guidance of God

CATHOLIC PRIMARY SCHOOL

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards
