

Wednesday 8th January 2020

Dear Parents and Carers,

Firstly, I hope you are all safe and well in these uncertain times. Thank you so much for the patience and support you have shown us, it is very much appreciated. This is not how we intended to start the school year; however, here we are and together we will come through this once again.

We now have resource packs ready, for every child. Resource packs can be collected from school, or if you are self-isolating or shielding, please contact school and we will arrange delivery.

There is an expectation that ALL children engage with remote learning. ALL children will need to register on Google Classroom. Children will be expected to follow the link to register at 9am and 1pm, every day.

Years 3, 4, 5 and 6 are able to stay on, after registration, for live streamed lessons. Nursery, Reception, Years 1& 2 will have pre-recorded lessons, which they children will watch and then complete their work afterwards.

Below is a link to claim free data, for school-aged children.

Using X Box or Play Station to access Google Classroom

Turn on your console.

Open up your profile as you normally would if you were playing a game.

Click on the internet browser (Play Station - www icon/X Box - Microsoft Edge icon).

Type in classroom.google.com in the URL bar.

A prompt for a Google account will appear.

Type in your school email and password – it doesn't end in google.com and that is ok!

The Classroom home screen will open up.

Click on the link below to watch a video tutorial if this is easier for you.
