

Hello,

We have recently had a few complaints from parents regarding Electric scooters being used on the playground on a morning and at home time.

Bikes, scooters and dogs are not to be brought onto the school playground under any circumstances. This is a health and safety risk and must be adhered to, at all times.

Please note, we have a a secure bike storage facility that gets locked on a morning for children to leave their bikes/scooters on school grounds however they are still left at your own risk and we advise that you use a lockable bike lock to secure your bike/scooter. If you leave your child's bikes/scooters anywhere else in the school grounds you do so at your own risk, school can not be held accountable.

Thank you
