

10th April 2025

Dear Parent/Guardian

As we near the end of the term and approach the joyous celebration of Easter, we are reminded of the powerful message it brings: hope, renewal, and new beginnings. Just as Christ rose from the tomb, we too are invited to rise above life's challenges and trust in the promise of brighter days ahead. The Resurrection of Jesus reminds us all that, no matter the difficulties we face, there is always hope for a fresh start.

It has been a truly remarkable Spring term here at St. Mary's, and we couldn't be prouder of the children. They have demonstrated excellence not only in their academic achievements but also in how they embody the values of our school. The children understand that, like Mary, they are special; they are chosen; they are loved. Inspired by Mary's courage to say 'YES' to God's call, they, too, have embraced new opportunities with open hearts — and like Mary, when they say yes, their lives can change for the better.

Each day, the children of St. Mary's come to school with enthusiasm, curiosity, and energy. Whether in the classroom or throughout the school, they are fully engaged in their learning and committed to the high ambitions we have for them. It is clear that they are making wonderful progress and continue to grow in their understanding across the curriculum.

As we break for the Easter holidays, we pray that you and your family find peace, rest, and joy in each other's company. May this season of resurrection fill your hearts with renewed hope and inspire you to embrace the new beginnings that lie ahead for all of us.

With every blessing

A McClurey & N Bennett
