

Monday 19th June 2023

Dear Parent/Carer,

NPCAT is one of the largest Multi Academy Trusts in the UK with 38 academies inclusive of two ever expanding Sixth Form Colleges.

Following the successful implementation of our Trust Careers and Guidance model **"FUTUREPROOF"** since 2021, we have now developed further pathways of collaboration with employers and higher education. Through the exciting launch of our **Industry Partnership Board**, we are continuing to ensure our students are afforded the highest provision and understand industry needs and insights.

Over time, the board will have an opportunity to engage with school leaders and inform our curricular planning, ensuring this remains relevant and that the necessary student skill development pathways are fully integrated into our curriculum and wider enrichment portfolio. This work will further embed our mission "forming lives ready to face the future".

If you are a business owner, leader or professional and would like to attend the NPCAT Futureproof Industry Partnership launch on Wednesday 19th July 2023 at 9:15 - 11 am, at St Peter's Catholic College, located on Normanby Road, South Bank, TS6 6SP, please RSVP [here](#).

Want to find out more? Read the Futureproof Industry Partnership Board [here](#).

Yours sincerely
