

Parent Survey Results Summer 2025

Survey Context

This survey received 3 parent responses. As each individual response represents approximately 33.3% of the total, the percentages should be interpreted with caution. These findings provide highly valuable insights into the views of our families but are not necessarily representative of the wider school community.

School Reflection

We are incredibly grateful to the parents who took the time to complete this survey. It is wonderful to see 100% positive sentiment regarding safety, happiness, academic growth and recommendation metrics. While the sample size is small, these insights highlight that our community values our mission, enrichment programs and dedicated staff.
