

You said, we did

Feedback based on the results of the parent questionnaire carried out in Summer Term 2025

You said	We did	You said	We did
<i>You agreed (100%) that your child is happy, feels safe, and continues to thrive at St Mary's.</i>	We are thrilled with this feedback. We will continue to place your child's happiness and safety at the absolute core of our daily routines. Through our nurturing environment, robust safeguarding and positive relationship frameworks, we will ensure St Mary's remains a secure and welcoming community.	<i>Some parents were unsure or selected 'Don't Know' regarding the direct impact of specialized wellbeing provisions like GEMs Support.</i>	While wellbeing frameworks scored highly overall, we want to ensure every family fully understands our toolkit. This year, we will share clearer, more regular information about how initiatives like GEMs Support are deployed to protect and cultivate our pupils' emotional wellbeing.
<i>Parents recognized the impact of our school's core mission ('Fiat Mihi').</i>	We will continue to anchor our Catholic Life and Mission at the very heart of everything we do. This term, we are expanding opportunities for parents to join us in living out this mission through shared liturgies, assemblies and community outreach, ensuring our values remain visible and active daily.	<i>You highly valued the rich opportunities provided through the 33 Experiences of St Mary's.</i>	We remain deeply committed to looking beyond the standard curriculum to broaden horizons. We will continue to deliver our bespoke 33 Experiences package - spanning retreats, sports events, faith celebrations and creative arts - to unlock every child's unique talents and prepare them for future success.
