Beliefs

Who is God? Creator. One God. Loving.

Basic Catholic Beliefs: One God. Jesus is the Son of God who died so we can go to heaven. We should treat others with respect and love. God rewards and punishes. Pope Francis is the leader of the Catholic Church. God works in our lives today.

Other religions: There are six major religions in the UK. Christianity, Islam, Judaism, Hinduism, Sikhism and Buddhism. We treat people of all faiths with respect.

Jesus: Son of God. Died on the Cross. Came back to life (resurrected) three days after His death. Saved us from sin (and punishment for what we have done wrong). Christians should follow the teachings of Christ.

Respect: No matter your religion or lack of religion, it is vital that we show absolute respect to all people. If you find something unusual or don't understand why someone does something, politely ask. We are all about learning!

Prayer: We pray every day in school. It is a way to communicate with God. Give thanks as well as ask for help. The whole of our school community take part in prayer, regardless of faith. If in doubt ask your teacher or Mrs Fisk for help. We start and end with the Sign of the Cross.

Church: The place of prayer and worship. Christians will celebrate festivals and Mass at Church. Other religions have different names for their places of worship (Muslims- Mosque, Sikhs- Gurdwara, Hindu- Mandir, Jewish- Synagogue, Buddhist- Vihara) Our place of prayer within school is called the chapel. It's like a 'mini church'.

Collective Worship: You will be expected to help plan and take part in collective worship in St Patrick's. You will get help from your teachers and Mrs Fisk along the way. It is a wonderful opportunity to pray and reflect on certain topics (e.g. Anti-bullying) or readings (e.g. 'Love is patient, love is kind')

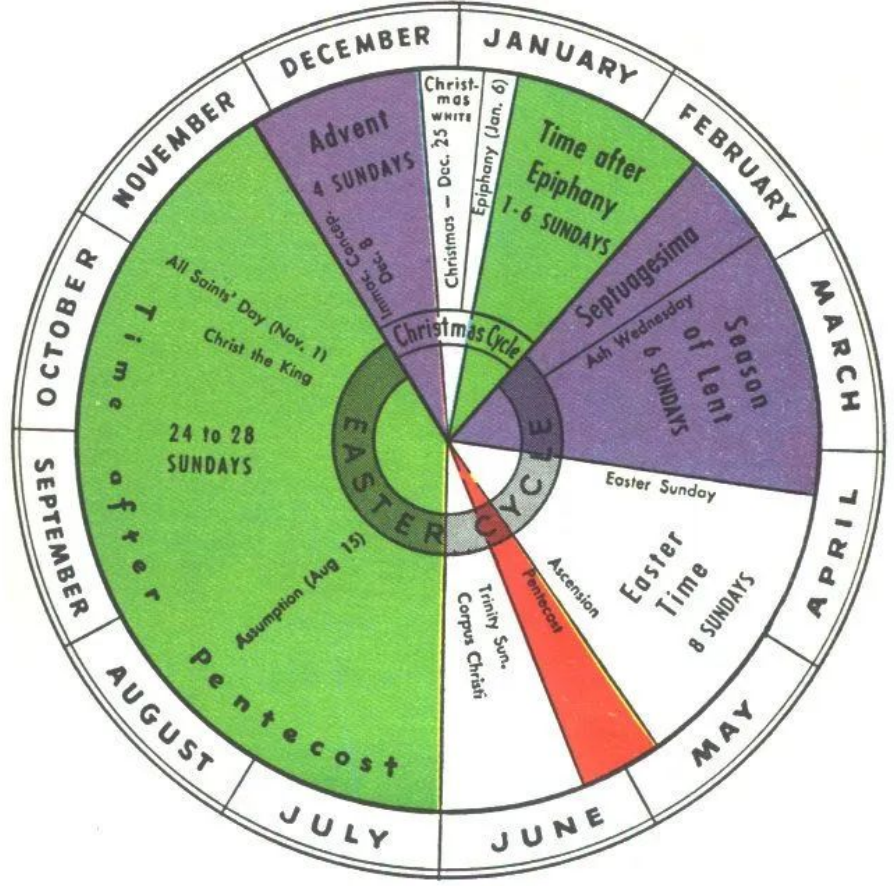

Charity and Community: We are part of our school and local community. As members of a Catholic school, we take part in charity work. It is our duty to help others. It is our duty to be kind. "Love thy neighbour".

Festivals: We celebrate lots of festivals throughout the year. We follow the Catholic Church Year (the Liturgical Year). So, you will see colours change depending on our Catholic season (e.g. Lent is purple). Christmas and Easter are our most important times. Advent is the season leading up to when we celebrate the birth of Jesus; Christmas. Whereas Lent is the season leading up to when we celebrate the death and resurrection of Jesus; Easter.
