4th March 2016

Dear Mr Ryan, children and parents of St Patrick's School,

On behalf of Dominic I wish to thank you most sincerely for the tremendous fund raising the School has contributed towards the purchasing of a defibrillator.

Myself and everybody at Christ the King School have been overwhelmed by the generosity of the Thornaby community.

I set off hoping to raise enough for one defibrillator and now especially with Thornaby Town Council's help, we will be purchasing defibrillators for both Churches and for St Therese School.

If one life is saved by having the use of a defibrillator to hand then it is totally worth all the effort.

So a big thank you from me and the whole Christ the King school community.

Yours sincerely

M. Metcalfe
