Geography Curriculum Overview

	KS1		KS2			
	Year 1	Year 2	Year3	Year 4	Year 5	Year 6
Locational Knowledge	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.	Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas. Name and locate the world's seven continents and five oceans.	Locate and name the continents on a World Map. Locate the main countries of Europe inc. Russia. Identify capital cities of Europe. Locate and name the countries making up the British Isles, with their capital cities. Identify longest rivers in the world, largest deserts, highest mountains. Compare with UK. Identify the position and significance of Equator, N. and S. Hemisphere, Tropics of Cancer and Capricorn	On a world map, locate areas of similar environmental regions, either desert, rainforest or temperate regions. Locate and name the main counties and cities in/around Teesside.	Locate the main countries in Europe and North or South America. Locate and name principal cities. Compare 2 different regions in UK rural/urban. Locate and name the main counties and cities in England. Linking with History, compare land use maps of UK from past with the present, focusing on land use. Identify the position and significance of latitude/longitude and the Greenwich Meridian. Linking with science, time zones, night and day	On a world map locate the main countries in Africa, Asia and Australasia/Oceania. Identify their main environmental regions, key physical and human characteristics, and major cities. Linking with local History, map how land use has changed in local area over time. Name and locate the key topographical features including coast, features of erosion, hills, mountains and rivers. Understand how these features have changed over time.
