Forming lives ready to face the future

17<sup>th</sup> September 2018

Dear Parent/Guardian,

### Year 5 and 6 Parents

The time has come when you will be giving lots of thought of which secondary school to send your child to. It can be a very anxious time as you obviously will want the very best education for them where they will feel happy and safe and develop skills and knowledge which they will need for their futures.

I am also very aware that some of you are deeply concerned about the OFSTED report which St.Patrick's College received last summer. However, lots have changed at the College recently, new leadership and a new Nicholas Postgate Catholic Academy Trust has been established, with high priority given towards transition from primary school into secondary and higher standards.

The newly appointed Headteacher at the College - Mrs.Bowen and Deputy Head Mr.McCann would like to meet with parents of children in Year 5 and 6 to reassure you that the future at the college looks very positive and St.Patrick's College should be a serious choice for you to send your child. They very much want to work in partnership with us at the primary school and the community, so that your child's Catholic education can continue into secondary school.

The meeting will take place on Monday 24<sup>th</sup> September in our school hall at 2.15pm. I think it will be hugely beneficial for you all to attend to find out more about the improvements at St.Patrick's College and their vision for the future.

Yours sincerely

**Mr J Conwell**  
**Head of School**
