

School Policy for the Education of Looked After Children

Date	Review Date	Coordinator
September 2018	September 2019	M Ryan

- Nominate a school governor to ensure that the needs of Looked After Children in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Looked After Children.

The role and responsibilities of the designated teacher for looked after children

Designated teacher (DT)

The role became statutory in September 2009 under the Children and Young Persons' Act 2008 (the 2008 Act).

The designated teacher must be a qualified teacher or a member of staff who is likely to gain QTS by September 2012.

Ideally, s/he should be a senior member of staff who has enough status and experience to advise and provide training to school staff on issues relating to LAC. They need to be able to influence decisions about the teaching and learning of these children.

Responsibilities in school:

- promoting the educational achievement of LAC on their school roll.
- helping school staff understand the issues that affect the learning of LAC.
- removing the barriers to learning for LAC.
- ensuring any LAC new to the school are assessed when they start at the school to identify strengths and weaknesses in their learning. This will be used to inform planning and teaching.
- developing personalised learning packages for LAC in conjunction with the relevant teaching staff.
- ensuring that the LAC in their school have a voice in setting learning targets for themselves.
- championing for LAC.
- leading on developing and implementing the PEP within the school. The social worker is responsible for initiating the PEP process completing the front page of the PEP form.
- monitoring the child's progress against the targets on the PEP and extending these targets if they have been achieved.
- ensuring the child makes a smooth transition to the new school and that the child's records are transferred without delay.
- producing **at least one** annual report* to the governing body which should include: current progress, attendance and exclusions (if any), any concerns regarding behaviour, how the PEP has been implemented and whether the actions put in place are effective in addressing the learning needs of LAC, how the DesT works in partnership with the LA, training undertaken for carrying out the role effectively. The report must not mention the children's names for confidentiality reasons.

St. Patrick's RC Primary

- promoting good home-school links and the importance of education as a way of improving life chances for LAC.

- Anti-bullying Policy
- Home-school agreement
- Equal Opportunities Policy
- Racial Policy
- Safeguarding Policy
