5. This will bring a screen similar to the one shown below.

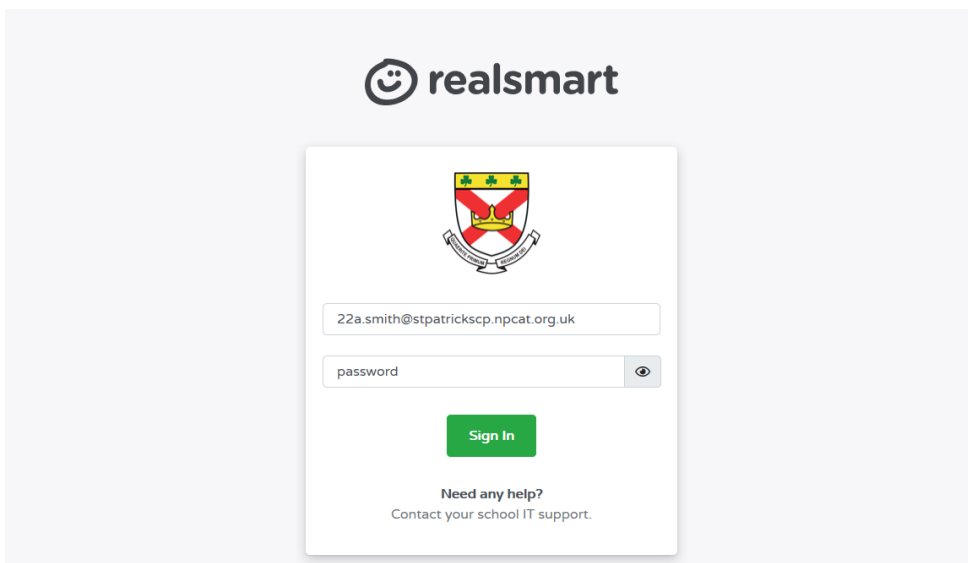

6. From the options pick NPCAT – St Patrick’s Catholic Primary School, Then, click the continue button.

Some devices will remember this step, so that you do not need to do this every time.

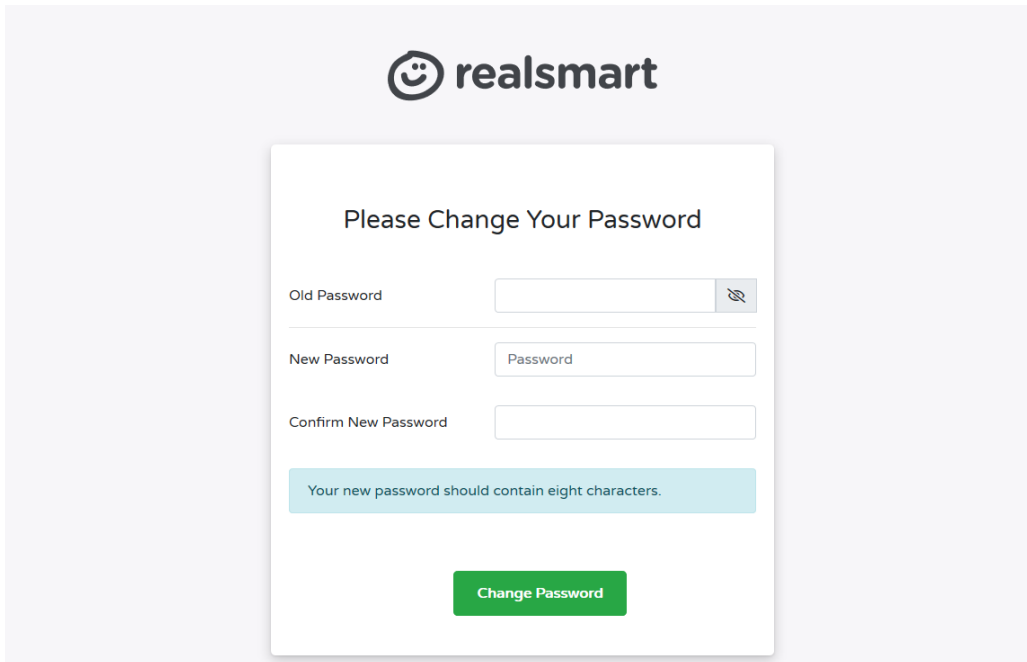

7. Then, enter the child’s email address again.

The default password will be ‘password’ for all children.

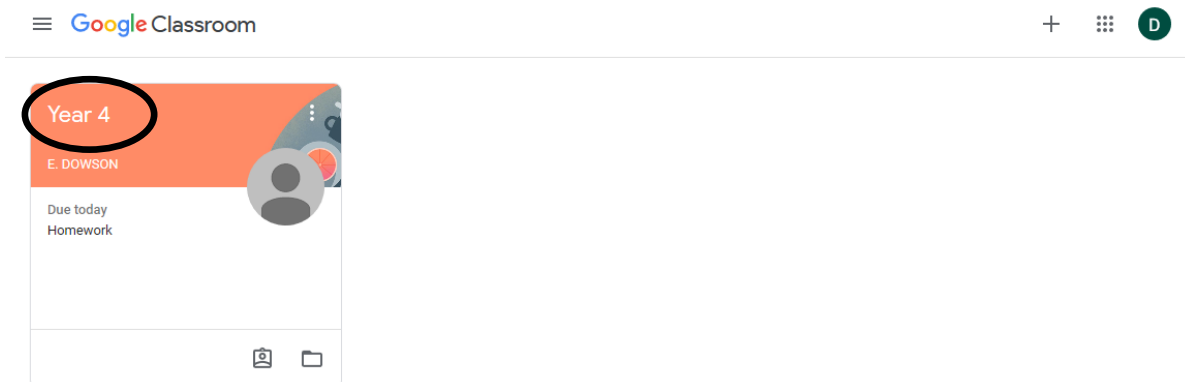

8. The first time that the children log in, they will be asked to pick a new password. Enter the new password in the 'New Password' box and the 'Confirm New Password' box.

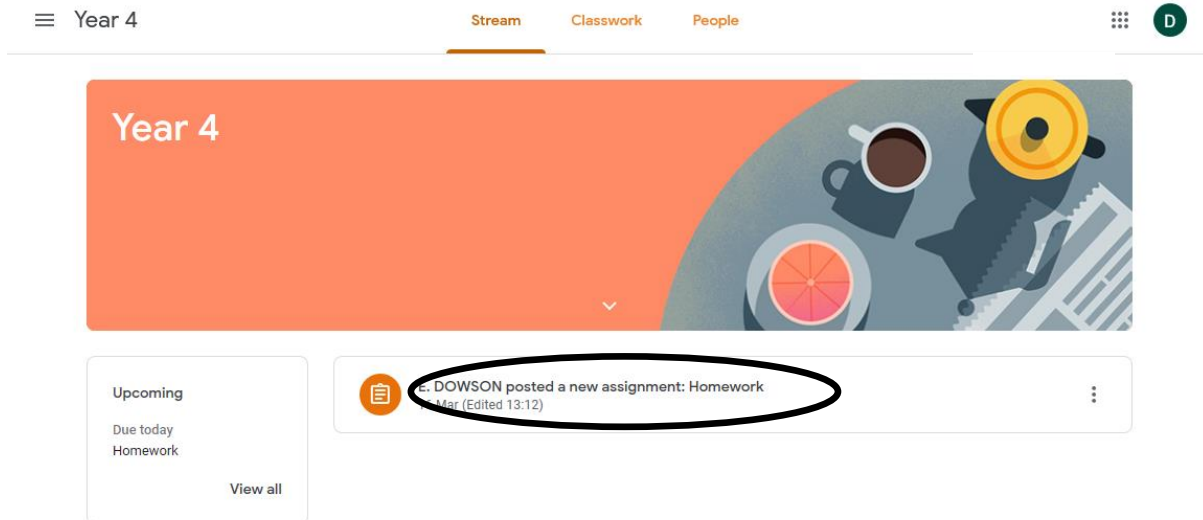

The screenshot shows the Realsmart login interface. At the top is the Realsmart logo. Below it is a white card with the heading "Please Change Your Password". The card contains three input fields: "Old Password" with a clear button, "New Password" with the placeholder text "Password", and "Confirm New Password". Below the fields is a light blue instruction box that says "Your new password should contain eight characters." At the bottom of the card is a green button labeled "Change Password".

9. The children will have been assigned to a Class or Group. This will show up on their profile as soon as they have logged in. Click on the box to access any work that the teacher has set.

The screenshot shows the Google Classroom interface. At the top left is the "Google Classroom" logo. At the top right are navigation icons: a plus sign, a grid icon, and a profile icon with the letter "D". Below the header is a profile card for "Year 4" by "E. DOWSON". The card has an orange header with "Year 4" circled in black. Below the header, it says "Due today Homework". At the bottom of the card are icons for a calendar and a folder.

10. The activities will be listed in the order that they have been assigned by the teacher. Click on the activity that you would like to access.

10. Information about what the child needs to do will be like the picture shown below:
