

St Paulinus Newsletter Year Three

Welcome Back 😊

I am Miss Elder and I am new to St Paulinus this year. Firstly, I hope you have all had an enjoyable summer. I am thoroughly enjoying getting to know all the children and I am looking forward to this upcoming year. Thank you so much for the fantastic postcards from all your adventures over the holidays. It was fabulous to see pictures of the children enjoying themselves.

Reading

Reading is key in every year group. Please ensure your child reads every night. It is important that your child reads to an adult at least three times a week and that their reading record is signed.

Book bags need to be in school every day. Thank you.

Maths

This half term we will be looking at place value. This involves knowing which is the hundreds, tens and units/one's digit, ordering numbers and finding 10 or 100 more and less. During the course of year 3, it is expected that children will know their 2, 5, 10, 3, 4, and 8 times tables and the corresponding divisions. Therefore, any extra practise you can offer will be greatly appreciated.

RE

Our topics this half term are Homes and Promises.

Please reflect on who you love and who the significant people in your life are.

PE

PE will take place on a Wednesday and Thursday afternoon. On these days, children are to come into school in their PE kits and will stay in them all day.

Please ensure names are written on all items of clothing.

Homework

Spellings will be given on a Friday to be tested the following Friday.

Reading as already mentioned should be daily but should be recorded with an adult at least three times a week.

Children should be practising the times table they are up to (we learn them in this order 2, 10, 5, 3, 4 and 8) and will be tested each week along with spellings. Keep practising! 😊

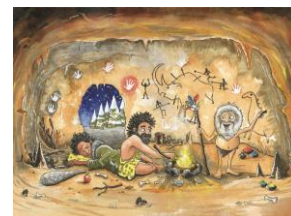

Parent's Evening

Our first parent's evening will be held virtually week beginning 4th October. This is a chance to catch up and inform you on how your child/children are settling in.

Topic

We begin the year with a History based topic – The Stone Age. I look forward to exploring this topic with the children and finding more out about life during this time.

Focus of the year

This year we have a focus on our Mission Statement, 'To love one another, as I have loved you'. We are exploring ways to demonstrate this in our daily lives. All your children have been sent home a heart to put somewhere special.
