Dear Parents/Guardians,

I do hope you are well and keeping safe during these difficult times.

As parents, you are vital partners in the work we do. I hope we can continue to work together during this unprecedented time to build the already established, excellent relationship between home and school. 'Together we can make a Difference'.

The pupils have been working hard at home. I know how much the staff look forward to speaking to you during their weekly telephone calls.

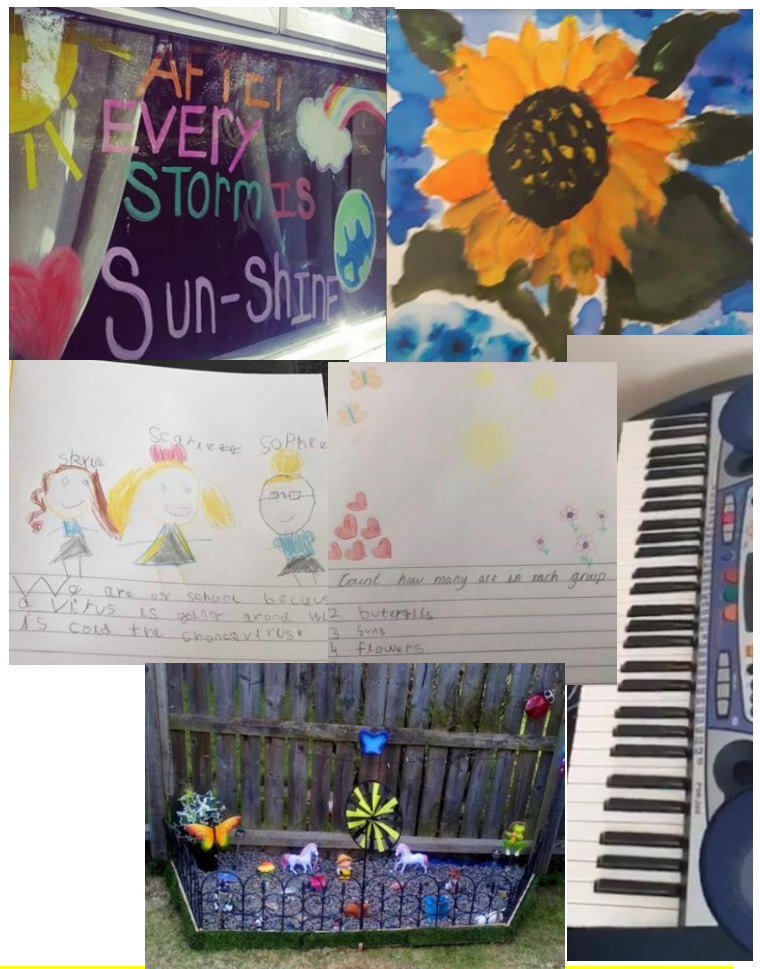

Below I have showcased just a few examples of our pupils learning and activities, which have been completed since 'lockdown' began. It would be fantastic to see more examples uploaded on the google classroom - Staff and I love to see what the children have been doing.

Free School Meals

If you think there is a possibility that you are entitled to Free School Meals can you please obtain an application form from school and return it as soon as possible, alternatively Mrs Mackey, would be only be too happy to help you complete it if you wish.

We know that some of you are entitled but choose not to apply as your child prefers a packed lunch. If this is the case you should still apply and still bring your child in the meal of their choice. It is extremely important that all parents entitled apply. If you are claiming Income Support or Income based Job Seekers Allowance or, Child Tax (but not Working Tax Credit) and have an annual income which does not exceed £16,190, you are entitled to claim for Free School Meals.

Can you please help us with this as remember your child's funding relies on how many applications of Free School Meals we can register with the Local Authority.

Live, learn, love and grow in the light of Christ.
