

Wednesday 1st April 2026

Dear Parents/Guardians

Although this has been a shorter half term, it has been incredibly full and purposeful. It has been a joy to see the children truly living out our mission, "*Christ Be Our Light*." Each day, they have shown how they are made in the image and likeness of Christ, allowing His light to shine through them in all that they say and do.

In the classroom, the children have worked with great focus and determination. Our curriculum, carefully designed to be connected, coherent and cumulative, has enabled pupils to build on prior learning and deepen their understanding. It is clear that they now know more, remember more and can do more than they could at the start of the half term. Their confidence, use of vocabulary and pride in their work continue to grow and we are very proud of all they have achieved.

Beyond the classroom, our "33 Experiences" have continued to provide rich and memorable opportunities for learning and personal growth. From exploring local landmarks and engaging with our community, to sharing in celebrations such as Mother's Day afternoon tea and visits like Piglets Farm, the children have embraced each experience with curiosity and excitement. These moments allow pupils to apply their learning in real-world contexts, develop their talents and make lasting memories.

During Holy Week, the reverence shown by the children during our liturgies was truly moving. These opportunities have helped us to reflect on the love and sacrifice of Christ and prepare our hearts for the joy of Easter.

As we enter this sacred Easter triduum, we pray that the joy and hope of the Risen Christ fills your homes and hearts. May the blessings of Easter bring you peace, renewal and new life

With best wishes

A McClurey & N Bennett

Christ Be Our Light
