

Spring Term 2022
Parent Feedback
Conducted via Google Forms

"The family remains the first school in which children learn."

Pope Francis

Spring Term 2022

Parent Feedback

Questions	Yes	No
Have you received your child's report?	100%	
Was the information in the report useful?	100%	
As a school we have changed our curriculum to make sure your children learn more and remember more. Does your child enjoy learning at school?	100%	
As a school we work hard to ensure that your children make fantastic progress in their learning and have fun at school. Just this term, we have celebrated World Book Day, National Number Day, we have raised money and sang for the people of the Ukraine and many other fun activities. It would be great to get your positive feedback on our school and for you to let us know, what you think we are doing well.	<p>Everything is fab!</p> <p>Brilliant</p> <p>There's more variety in what the children can get involved in which incorporates learning as well, across all age groups.</p> <p>There's always something going on for the children. I think it's great because it's real things but at the same time it's made fun for the children.</p> <p>It's been wonderful to see the children enjoying celebrating so many special/significant days and events and raising awareness for special causes, not only has it been fun for the children but it's also reminding them to help others less fortunate than us. Keep it going St Pius.</p> <p>Fantastic job</p> <p>***** loves being at school and enjoys her lessons</p> <p>Mr Bennett has massively changed this school since taking he's roll as head master, every lesson and topic is made so enjoyable, nothing is a problem, if you need to speak about anything big or small that time is made for you, he puts every effort into every hour along with all the staff, my children love school and look forward to it daily, each child is welcomed by staff with a smile and a morning, I cannot fault any member of school or the learning of the children</p> <p>I think the social media pages are really good to keep parents up to date with what is going on in the school. Both the nursery teachers, Miss McDonald and Miss Robinson are both fantastic and brilliant with the children.</p>	

St Pius is a brilliant school, staff are lovely.

My daughter has fun learning and enjoys coming to school

Great After school activities

***** really loves all the fun activities in school it's good that it's not all heads in books and hands on paper. The children get to learn whilst having fun

I am over the moon with my sons progress since the new learning as come in he has come on loads

***** has progressed this year faster than any other year. I feel that George knows in school he can make his own choices about his learning and feels involved. St Pius also allow him to celebrate his strengths and allow him to be his own person learning at his own pace. Teaching staff have been fantastic not allowing the school to shut with COVID and doing everything in their power to make learning fun such as Easter competitions, no uniform days and after school clubs this has made it exciting for the children. Fantastic school!

The school is doing its best and the kids are enjoying every bit of it.
