You said	We did	You said	We did
<i>You enjoy events and coming into school for fun things, which are memorable for the children.</i>	We will continue with our programme of enrichment opportunities for the children.	<i>Great care is provided by the school</i>	We will continue to provide the same great level of care and plan to enhance this with the provision of 'drop in sessions' for parents with our INSIDEOUT practitioner.
<i>More clubs please</i>	Mrs Pitchers will be in touch to communicate this term's clubs early in the Spring Term...watch this space!	<i>Keep parents up to date on key dates and times.</i>	School will continue to ensure that our presence on social media is relevant and informative. We will continue to promote our social media streams on our half termly Newsletters. The school calendar on our website is updated with all key events and all letters are placed on the website, in addition to copies being emailed directly to parents.
<i>Keep parents informed about Sex Ed</i>	Our RSE policy and overview is published on the website and parents were all consulted before we launched the current scheme of learning. Class Teachers will send a message via ARBOR to communicate when any sensitive content is due to be taught.
