Parent Feedback following SEND Information session

The Sen morning was
fab to interact with my child
and do some fab activities

It was a really good way
to learn and see all the different
ways children are able to let out
all of there built up energy.

Both myself and *** had a lovely morning playing and making things. Looking forward to the next one. Thank you for the quality time we spent together

*** has enjoyed our sensory session today. It was fun playing with all the bouncy objects. "Everything was fun" said ***. It was nice to see *** sort of interacting with friends and doing activities. Thank you.

I think very helpful because all exciting today. I'll do it with my son at home also

was really nice to be in school with *** and see how all his sensory is helping him. It was so wonderful to see him and his friends having fun

*** engaged in the session this morning. I'm glad we were involved as parents to see what they get up to.
