Any other comments

The school is doing an excellent work.

\*\*\* thoroughly enjoys the opportunity to have his own voice and beliefs that the school promote through lessons and wider school community. We are just waiting for him to become a little bit older so we can go back to church again.

Ur doing amazing

My son is happy coming to school. What I am proud of is my son learning about prayer, bible and how it impacts on our daily lives.

Would like \*\*\* to access mass more within school

Mrs \*\*\* has been a massive help with \*\*\*, \*\*\* is struggling with the loss of her nana and Mrs \*\*\* has been a great comfort to her and gone out of her way to support \*\*\*.

It's a shame the school is so far from church as our kids did. Enjoy going over to church as a school but I do know they have prayer time in school also

My kids love their prayers

\*\*\* enjoys her RE lessons and going to mass

They are doing great
