

Primary PE & Sport Premium Funding

2024-25

Review of last year's spend and key achievements (2023-24)

Start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<p>Continued our commitment to deliver high quality PE sessions (x2 per week) across the school in all year groups. Ensure progression between year groups via PE Passport scheme of work. Teachers are more aware of manageable assessment opportunities across a range of sports. PE rated 'Gold' in NPCAT review. Consolidate this in 2024-25 or look to upgrade to 'Platinum'.</p>	<p>Equipped children with fundamental movement skills in order to achieve. Also led to increased confidence and resilience as evidenced from pupil participation in events/clubs and staff feedback.</p> <p>Improved confidence and competence among staff, especially in assessment.</p>	<p>Continued transition from Real PE scheme of work to PE Passport in 2023-24, supported by PE specialist and NPCAT PE leads. Staff supported to deliver lessons independently from 2024 - no longer using a PE specialist once a week (money saved on this spent on enrichment opportunities, replacing old equipment/buying new equipment and staff CPD).</p> <p>This will continue into 2024/25 due to continuation of SP funding.</p>
<p>Continued widespread participation in school sports and offered after school opportunities. This is a huge strength of our school and something that we intend to continue and build upon.</p>	<p>Gave as many children (all-abilities) as possible the chance to participate in school sport and competitions both inside and outside school. Ensure all abilities given the opportunity to showcase the skills learnt in PE through a range of sports.</p>	<p>2023/24 - also increased social media presence (Facebook) to widen exposure of school's participation in sport across the city. This is to continue.</p>

<p>Continued to arrange fixtures with other schools, outside of the usual YSSN channels, and attend events organised by YSSN and other organisations (Brownlee Foundation, Rugby World Cup). Started to attend events organised by NPCAT (KS1 multi skills, cricket tournaments).</p>	<p>Increased the profile of the school with a commendation in the York Sports Awards (won on three previous occasions.) and appearance at NPCAT awards (commended in school of the year category, July 2024).</p>	<p>Widen this across the school, not just in UKS2.</p> <p>Expand further into school in 2024/25 so leaders can organise training for tournaments, organise tournaments and start a reward scheme linked to values (certificates given to pupils who show our values by leaders at the end of the week assembly).</p> <p>2024 summer sports days a success with sportsleaders leading events. Expand to KS1 in 2025.</p>
<p>Continued to bolster links with community clubs and groups (York St John Uni, Clifton Alliance, York Knights, York City FC. Yorkshire Cricket Club, Chance to Shine).</p>	<p>Enter sportsleader/team of the year - summer 2025</p>	
<p>Continued to use physical activity across the curriculum to engage children.</p>	<p>Increased motivation and engagement across all subjects (maths, spellings), not just PE.</p>	
<p>Increased leadership opportunities for children in UKS2 through the ever-growing sportsleader scheme.</p>	<p>More leadership opportunities in the playground. Improved behaviour and fewer accidents.</p>
