## Enrichment

An increased amount of extra curricular clubs have been developed throughout the year with large numbers of students taking part. The clubs are designed to extend the learning of students at Trinity Catholic College and develop physical, social and mental skills.

## Sport

Trinity Catholic College prides itself on sporting success and has a vast range of opportunities available for all students to participate. A late bus ensures that access is available for all students and this is essential for sporting progress. A newly developed boxercise group has now expanded to 10 students who work on a report throughout the week in order to gain a place in the session. The extra curricular sporting programme also has links to local community clubs.

Boys and girls football - 194 students

Rugby - 60 students

Netball - 45 students

Gym club - students

Basketball - 30 students

#### Food club

Students are given the opportunity to explore the food and leisure industry and its links to a healthy lifestyle. Students can create a range of dishes from across the world and develop knowledge on health and hygiene. There are currently 15 students who regularly attend the food club.

#### Science club

Students experience all strands of science and participate in a variety of experiments to enhance their subject knowledge and practical skills. There are 7 students who regularly attend KS3 science club.

#### Drama and music club

Drama and music clubs allow students to gain experience in all areas of performing arts. There are many opportunities for students to display their skills in music performance evenings or school musical productions. 25 students regularly attend.

#### Board games club

A new club has been developed to allow KS3 students to develop strategical thinking skills against friends. This is a lunch time club where students socialise whilst challenging friends in a variety of games. 11 students regularly attend.

#### Ravenous Readers

Students are able to independently read in the LRC during lunch times. 10 students regularly attend this club.
