Dear Trinity family

It is with great sadness that I write to inform you that over the weekend Carol Gibson, a highly respected and much loved member of our support staff, has sadly passed away.

Carol has worked in Catholic education in Middlesbrough since the 1990s. Carol served our community and supported hundreds of children. Throughout her time she carried out her role with the utmost care and dedication. The lives of the people she worked with have been enriched as a result of her professionalism and friendship and her memory will live on in the legacy she has left behind at Trinity Catholic College.

On behalf of the school community I have expressed our deepest sympathy to her family.

I hope in the weeks to come we will find an appropriate way to celebrate the life that she had with us here at our school, together with the significant contribution she has made.

I ask that our extended Trinity family keep Carol, her colleagues and family in their prayers during this sad time.
