

TRINITY
CATHOLIC COLLEGE
AND SIXTH FORM

Accessibility Plan 2023-2026

INTRODUCTION

The Special Educational Needs and Disability Act 2001 requires schools to produce Accessibility Plans every three years. This duty has been replicated in the Equality Act 2010. This Accessibility Plan applies to the whole school for the period May 2023 to May 2026.

The Governing Body continues to focus on its three key duties towards disabled pupils:

- not to treat disabled pupils less favourably because of something arising in consequence of their disability;
- To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage; and
- To plan to increase access to education for disabled pupils. This Plan sets out the strategies of Trinity Catholic College to:
 - Increase the extent to which disabled pupils can participate in the School curriculum;
 - Improve the physical environment of the School to increase the extent to which disabled pupils can take advantage of education and associated services; and
 - Improve the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled.

This Plan will also consider ways to assist pupils with special education needs who would not be classified as disabled under the Equality Act. For such pupils the School has a responsibility to meet their special needs and, for those classified as disabled, a duty to prevent discrimination against them in their access to

education. Trinity Catholic College regards such responsibilities as equally important, and is therefore committed to a whole school approach aimed at inclusion.

THE PURPOSE OF THE PLAN

Trinity Catholic College is committed to, and striving for, equal opportunities and inclusion for all. This Plan is just one way in which the School will work continuously to achieve this.

PUTTING THE PLAN INTO PRACTICE
