1. Audience

- 1.1. These procedures are written for new governors, headteachers, the local governing body chair person, and the trust's governance team.

2. Purpose

- 2.1. The trust has a supportive framework of governance for all our schools that includes a central infrastructure offering CPD, high-quality guidance and real-time information to governing bodies. These procedures outline the processes that should be followed so that the governance framework (or approach) is implemented effectively.

3. Overview
