Help raise funds for the College to spend on resources for your child

Join the Oathall Lottery - OPTA lot!

We are delighted to announce the third year of the Oathall Lottery, or OPTA lot. This is an easy, cost-effective and fun way to raise money for the College – the prizes might not run into £millions, but the odds are better! We raise around £1000 a year, with prizes of over £100 being awarded each month. *Quite simply, the more people that join, the bigger the prizes and the more funds for College projects.*

Half the funds received go on prizes and half on school projects. Draws will happen once a month during October to July, with first and second cash prizes. You can join at the start of the school year, or, if you miss the beginning, join in later and we'll simply enter you for the next ten draws. Buy in multiples of £10, e.g. if you spend £40, your name will be entered 4 times in each of the next 10 monthly draws and increase your chances of winning.

There are three simple ways to enter and pay:

1. By **Parentpay**: please enter the amount you want to spend (in multiples of £10), add your contact details and we'll do the rest.
2. To pay by **cash or cheque** or **Standing Order**, please check the website for details

To guarantee a place in the first draw in October, please pay by Parentpay or return the completed forms to the school office by Friday 17th October. But don't worry if you miss that date – you can still join anytime throughout the year. Anyone aged 16 or over can join, including grandparents, friends and anyone with an interest in the College.
