Achievement Assembly Newsletter Spring Term 2013

Dear parents,

Welcome to the Achievement Assembly Newsletter. As you know, we hold achievement assemblies at the end of every term to recognise and celebrate the successes of our students both in and out of the college. We would like to share these success stories with you in this newsletter. We have included attendance, attitude and behaviour results for September 2012 - December 2012 for years 8, 9 and 10.

Oathall Community College

At Oathall Community College we believe that maximum attendance underpins the chances of success for all students, as well as enabling them to establish their friendship groups and to participate in extra-curricular activities. We feel that it is important to reward those who have managed to achieve 100% attendance. This is a fantastic feat to which all students can aspire.
