Dear Parents

### **Key Information**

As the GCSE examinations draw ever closer, I would like to take the opportunity to reiterate some key information.

Spring mocks will begin on Tuesday 8 March (timetable available on the school website under the learning tab), following this reports will be issued on Wednesday 23 March. Attached are the latest versions of the revision timetable and revision guide list, the 'live' version of the revision timetable has been shared with your child via Google docs, ensuring your child is kept most up to date, allowing them to plan their time effectively.

It has been excellent to see so many year 11s attending revision sessions in recent weeks and taking full advantage of the support and guidance available to them.

Prior to the summer examinations, students will each receive a booklet with important information regarding examinations, including their own timetable and 'frequently asked questions' sheet.

Students will attend lessons as usual until May half term, thereafter your child will follow a bespoke timetable with a combination of seminars and lessons for which we expect full attendance. Lessons where courses and exams are complete must be attended but may be spent revising for other subjects under the supervision of the class teacher. Once your child has sat their final exam they are not expected to attend but should your child need to return to school they must do so in full school uniform.

The final day of school is Graduation Day on Thursday 30 June which includes brunch with group tutors, a final assembly, handing out of Yearbooks and of course an opportunity to bring school shirts to be signed, please be aware that if a student arrives for an exam with their shirt signed they will not be allowed to sit the exam.

The final event will be our Leavers Dinner on Friday 1 July, more information will follow from Ms Hart.

I am very proud of the mature approach year 11 have maintained regarding their learning, of equal importance is how students present themselves and our high expectations of uniform will of course continue.

I would like to thank you in advance for your support.

Yours sincerely

**Miss L Gyngell**  
Year 11 Leader
