Headteacher: Mr E Rodriguez MA BSc (Hons)

Dear Parents

Thank you for supporting your child in their maths learning by providing them with their appropriate maths equipment.

The scientific calculator which was previously referenced in our equipment list has now been modified. Either of these models are appropriate:

Casio-fx-83GTX Scientific Calculator OR

Casio-fx-85GTX Scientific Calculator

Prices do vary greatly from shop to shop but as a guide you should never spend more than £15. The major supermarkets often reduce them at this time and you may be able to pick one up from as little as £8.

If you have any of the previous versions already there is no need to purchase again. It appears that the previous version has become a collectors item and will cost you a small fortune to buy so we wanted to make you aware of the pitfall!

If you have any queries regarding maths equipment please don't hesitate to contact me via email: pgaston@oathall.org

Kind regards,

Mrs Pauline Gaston
