8 September 2020

Dear Parents

On Monday 14 September, Oathall Community College students and staff will be supporting the national charity Jeans for Genes.

We ask that students and staff donate £1.50 to the charity and in return they are allowed to wear non uniform for the day, which **must include a pair of jeans or denim alternative**. Donations can only be made using School Gateway.

### About Jeans for Genes

Jeans for Genes is 'the UK children's charity that aims to change the world for children with genetic disorders'.

Individually, genetic disorders are rare but together they affect 1 in 25 children born in the UK. Their associated health problems mean that genetic disorders are the biggest killer of children aged 14 years and under.

### How your money helps

Jeans for Genes provides funding for the care and support of children with genetic disorders. The funding raised across the UK also supports research into genetics and the development of effective treatments and cures. Each year we offer funding to a range of charities.

If you require further information please visit the official website: <http://www.jeansforgenesday.org>

Thank you for supporting Jeans for Genes.

Mrs J Rowe  
**Head of Discovery House/Jeans for Genes Organiser**
