Headteacher: Mr E Rodriguez MA BSc (Hons)

28th September 2020

Dear Parent,

Year 11 have made a super start to the year and I am pleased to report, are working very hard.

Y11 Guidance Evening - Wednesday 30th September

Unfortunately, we are not able to host this evening in the usual way, however, I will be posting some information and videos onto the school website which I am hoping you will find useful. The information will be centered around health, wellbeing and an overview of the year ahead. You can find these posts by clicking on [this link](#) after 5pm on Wednesday 30th September.

Y11 Parents' Evening - Wednesday 14th October

We still intend to go ahead with Parents Evening, but again, not in the usual way with parents coming onto the school site. I will write to you again in due course with further information.

Revision

Please encourage your child to make use of the revision resources on [the website](#). GCSE Pod is particularly useful.

Revision sessions will begin soon, your child's class teachers will provide more detail over the coming weeks.

The library is open every afternoon for Y11 students until 4pm. Students are more than welcome to complete homework or revise in this space.

In order to support your child, I have organised three workshops over the coming months to equip your child with expert and specialist advice regarding study skills. These sessions will be led by an outside agency and happen during a normal school day.

Thank you for your ongoing support,

Miss L Gyngell
Assistant Head
