Dear Parent

We are holding a Parent Partnership Meeting on Wednesday 11th November via Zoom at 5-6pm.

The Parent Partnership meets regularly to discuss important issues for both parents and the school. It aims to be successful in contributing positively to the development of our school community. The partnership has a dual purpose:

- Provides a stakeholder panel for views on new initiatives and developments within the school
- Provides parents a voice in the development of the school

All parents are welcome to attend. The discussion item for this meeting is to **review our mobile phone policy**:
