Headteacher: Mr E Rodriguez MA BSc (Hons)

---

6<sup>th</sup> November 2020

Dear Parent

We have been advised by the Headteacher of Warden Park Primary today of an incident which involved one of their pupils yesterday, after school.

The child was walking home when she was approached by a man in a vehicle described as a black people carrier, near the Laura Ashley roundabout. The man tried to persuade her into the vehicle. A member of the public intervened and the car drove away. The incident has been reported to the police.

We wanted to make you aware so that you can remind your children of the need to be alert to 'stranger danger', especially when walking home alone from school. The streets may be quieter than usual due to the current lockdown.

With kind regards

**Edward Rodriguez**  
Headteacher
