Dear Parent

In order to support rapid testing in schools, parents and other adults in households with children at school who do not have symptoms, can now also access regular, rapid coronavirus (COVID-19) testing. This includes childcare and support bubbles.

To order kits to test a household, childcare bubble or support bubble at least one member should:

- be a school, nursery or college pupil; or
- work in a school, nursery or college (this includes temporary workers or volunteers)

Kits can be ordered online or collected in person at a designated location.

Details of how to access kits can be found on the GOV.UK website at:

With kind regards

Mrs J Godbolt
