Headteacher: Mr E Rodriguez MA BSc (Hons)

1st October 2021

Dear Parent

COVID-19 Vaccination for 12 to 15 year olds - an update

As you will be aware, the Government has recently announced plans for a nationwide COVID-19 vaccination programme for 12 to 15 year olds, which will be incorporated into the existing schools' vaccination programme.

Sussex Community NHS Foundation Trust will be responsible for administering the programme in West Sussex and they will be contacting parents to provide details of the session to be held at the school. They will also be seeking parental consent in much the same way as they have done for other school-based vaccination programmes.

At this point, we have not been advised of the date for the session to be held at Oathall but we thought it would be helpful to direct you to the [Sussex COVID-19 Vaccination Programme website](#) which includes contact details for vaccine queries and information on the 12 to 15 programme in schools, including FAQs for parents.

We will write to you again as soon as we have been given the date for the COVID-19 vaccination session.

With kind regards

Edward Rodriguez
Headteacher
