

Parent Partnership AGENDA Thursday 14 October 2021 - Focus on Well Being and Enrichment

The Parent Partnership was established in March 2018 and meets once every half-term to discuss important issues for both parents and the school. It aims to be successful in contributing positively to the development of our School Community. The Partnership has a dual purpose:

- Provides a stakeholder panel for views on new initiatives and developments within the school
- Provides parents a voice in the development of the school

The group will meet virtually between 5 and 6pm. Please follow [this link](#) to join the meeting. **All parents are welcome to attend; there is no commitment required, please just come along and offer your voice to the discussions. The agenda for each meeting is sent out to all parents via the School Email system the week before the meeting takes place.**

For further information please contact Mrs F Hatchard, Assistant Headteacher, 01444 414001 or via email on fhatchard@oathall.org
