

Key Stage 4 Options

2022

What we will cover

- An overview of Key Stage 4 at Oathall
- The different pathways that students may follow
- A breakdown of the subjects that can be studied
- How to make the option choices using INSIGHT
- Guidance on how to make good choices

Key Stage 4 - Years 10 and 11

All students

- study GCSE English language and literature, mathematics and science
- take Core Physical Education (PE) and Personal Development (PD) which includes Core Religious Education and Citizenship
- study other GCSE or equivalent vocational subjects that they have some choice over (the option subjects)

Most students

- will include a humanities subject (History or Geography) and a Modern Foreign Language (French, German or Spanish) in their option subjects

Key Stage 4 - Years 10 and 11

Some students

- will not be required to study a Modern Foreign Language but will still take four option subjects
- will follow an alternative curriculum in place of a Humanities subject and a Modern Foreign Language

What courses do we offer?

The core - taken by all students

These are all GCSE qualifications - Graded 9 to 1

- English language
- English literature
- Mathematics / Further maths (Taken by more able students in addition to maths GCSE)
- Combined Science - 2 GCSE grades **or** Triple Science - 3 GCSE grades

SUBJECT
CHOICES

A – Languages	B – Humanities	C – Other courses, GCSEs unless otherwise indicated in brackets.	
French German Spanish	Geography History	3-D Design Animal Care (BTEC) Art Business Studies Computer Science Child Development (Cambridge National) Drama or Performing Arts-Drama (BTEC) Engineering French Geography German	Health and Social Care (BTEC) History Hospitality and Catering (Level 1 / 2 Award) Music Performing Arts-Dance (BTEC) Photography Physical Education or Sports Studies (Cambridge National) Psychology Religious Studies Spanish

GCSE or non-GCSE?

- Both cover the full range of outcomes
- Perfectly acceptable to combine both
- Both support progression onto a wide range of post-16 courses

GCSEs

- Graded 1 to 9
- Most are assessed by examinations only, apart from Art, Drama, Engineering, Music, Photography and PE

Non-GCSEs

- Different grading systems but cover the equivalent range of outcomes
- More practical approach to learning with links to the workplace
- Assessment based largely on evidence produced by the student - **deadlines!**
- One examination

How the grading systems work

Level	Non-GCSE grades	GCSE grades
Level 2	Distinction*	9
		8
	Distinction	7
	Merit	6
		5
	Pass	4
Level 1	Distinction	3
	Merit	2
	Pass	1

Pathway A - Students follow this pathway unless parents are informed otherwise

A – Languages	B – Humanities	C – Other courses, GCSEs unless otherwise indicated in brackets.	
French German Spanish (You will see the other subjects listed here on INSIGHT - ignore them!)	Geography History	3-D Design Animal Care (BTEC) Art Business Studies Computer Science Child Development (Cambridge National) Drama or Performing Arts-Drama (BTEC) Engineering French Geography German	Health and Social Care (BTEC) History Hospitality and Catering (Level 1 / 2 Award) Music Performing Arts-Dance (BTEC) Photography Physical Education or Sports Studies (Cambridge National) Psychology Religious Studies Spanish

Pathway B - Students follow this pathway only if parents have been informed

B – Humanities	C – Other courses, GCSEs unless otherwise indicated in brackets.	
Geography History	3-D Design Animal Care (BTEC) Art Business Studies Computer Science Child Development (Cambridge National) Drama or Performing Arts-Drama (BTEC) Engineering French Geography German	Health and Social Care (BTEC) History Hospitality and Catering (Level 1 / 2 Award) Music Performing Arts-Dance (BTEC) Photography Physical Education or Sports Studies (Cambridge National) Psychology Religious Studies Spanish

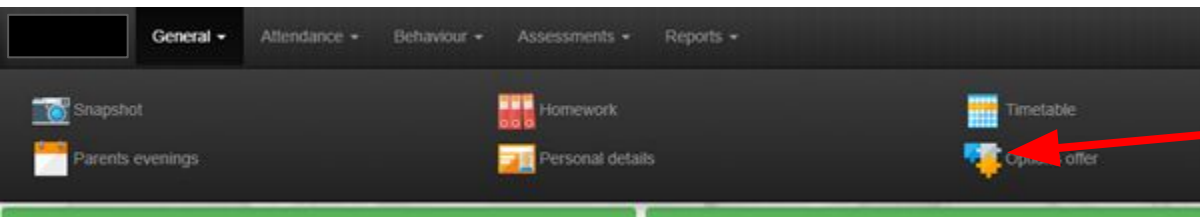

Pathway C - Students follow this pathway only if parents have been informed

A	B	C – Other courses, GCSEs unless otherwise indicated in brackets.

Using INSIGHT to complete the options choices

The screenshot displays the INSIGHT dashboard interface. At the top, a dark navigation bar contains several dropdown menus: 'General', 'Attendance', 'Behaviour', 'Assessments', and 'Reports'. A red arrow points from the 'General' menu to a text box on the right. Below the navigation bar, there are three main data panels: 'Unread notices' (blue), 'Homework' (orange), and three green panels for 'Achievements', 'Attendance', and 'Behaviours'. Each green panel includes a thumbs-up icon and a summary of performance metrics. Below these panels, there are three main content areas: 'Today' (a list of lessons with icons for AM, WWSA.1, WWSA.2, WWSA.3, WWSA.4, PM, and WWSA.5), 'Recent behaviours' (a list of classwork credits with dates and subjects like Drama/Thea and Geography), and 'Cumulative attendance' (a line graph showing % Attendance over time from Sep 11 to Feb 18).

- Log into INSIGHT on a **parent's** account
- Select the **General** menu

- Select **Options Offer**

Main Option

Pathways A and B

- Select Option B
- Select chosen subject and confirm as main choice as before.

- Repeat this process for *Options C and D* to select the other options subjects.
- In *Option C and D* a second choice must be made which will be saved as a *Reserve*.
- Students who have been studying two languages in Year 9 may, if they wish, select the second language in *C or D*.
- Students may select the second Humanities subject in *Options C or D* if they wish to take Geography and History.

Key dates

1. Monday 31 January - Options opens on Insight
2. Thursday 3 February - Parents' Consultation appointments
3. Thursday 10 February - Options deadline

Checklist

Make sure you have:

- taken the time to find out everything you need to about the courses on offer before making your choices,
- make appointments to speak with teachers on 3 February
- included a reserve choice in Option D,
- not selected the same subject more than once,
- completed the options process in INSIGHT by **Thursday 10 February**,

Students following pathway A must have a language selected in option A.

Allocation of option choices

- Once you have selected your options, we will try to meet your preferred choices (make sure your 'reserve' choice is as well thought out as your other choices).
- Are these choices guaranteed? Not necessarily...
- Possible reasons might be:
 - Numbers too low for course to run
 - Your suitability for the course
 - Your combination cannot be timetabled

When will my choices be confirmed?

- **No news is good news!**
- If your combination is unsuccessful or the course is not running we will communicate this with you.
- Letters will be issued during the summer term to confirm which option subjects your child will be studying in Year 10

What happens if I change my mind?

Do not panic!

Come and speak to me as
there may be a solution

Gather as much information as possible

- Videos and information sheets on the website
- Speak with teachers at the parents' consultations
- Contact tutor or Head of House
- Contact the careers team
 - Mrs Isley: disley@oathall.org
 - Mrs Ferros: kferros@oathall.org

Consider the future...

- ★ What might you like to do at college or as a career?
- ★ The broader your range of subjects, the greater breadth of choice you may have in the future

Look at the website under the 'learning tab' for careers information

At Oathall we provide students with a comprehensive careers program. This provides students with information on the options available to them after they leave Oathall.

Career planning is an ongoing process. We support students by giving them the most up-to-date advice about work. We also support them in their choices and applications to Sixth form college and further education. We encourage students to conduct their own career research and provide students with careers advice. Students are also supported by tutors, subject teachers, Heads of House and pastoral staff over their career choices.

Mrs Ferros is our professional careers adviser based in the college. Students can email her or see her in person. She can be emailed at kferros@oathall.org or contacted by phone on 01444 414001.

Know your strengths

- ★ What are you good at?
- ★ What do you enjoy?

Avoid selecting subjects because:

- ★ your friends are
- ★ you like/dislike a teacher
- ★ you think it will be easy

Final points...

- INSIGHT will open for options on Monday 31 January
- You must submit your choices by Thursday 10 February
- Parents' consultation online:
 - Thursday 3 February
- Option choices will be confirmed by letter in the Summer Term
- **In the meantime... 'no news is good news'!**
