# Learning Support Team

I love working with students on a 1-2-1 basis to help them cope with anything that may occur and supporting them throughout their time in Oathall. I have students timetabled with me through the week where i enjoy helping them with a variety of subjects. In my spare time i like to keep fit which includes boxing and walking my dog Lottie, i also enjoy art and anything crafty, especially sketching and zentangle.

I come from a corporate background, with a wide range of experience and skillsets - I love helping students in the classroom, and aim to bring a different angle to help their learning. I have two small boys of my own, and seeing them grow and learn inspired me to help students learn too.

I enjoy supporting all the students during their time at Oathall across a variety of subjects. In my spare time, I enjoy spending time with my family, being outdoors, reading and I especially love to write stories.
