8 July 2022

Dear Parents

The Immunisation Service coordinates the national school-based vaccination programmes for Flu, HPV and Tetanus/Diphtheria/Polio and Meningitis ACWY vaccinations, for eligible students.

Please see the attached flyer which contains information on the vaccinations your child should have received by the end of each year group, and what to do if they have missed any of these.

If your child has missed any of these vaccinations, and you have previously submitted an electronic consent form, please check your emails for a 'Consent Form Submitted' email from [noreply@cinnamondigitalapplications.co.uk](mailto:noreply@cinnamondigitalapplications.co.uk) which contains your unique booking reference number, in order to book an appointment.

Use the following link [www.susseximmunisations.co.uk/ClinicBooking/Booking](http://www.susseximmunisations.co.uk/ClinicBooking/Booking) along with your booking reference number and email address, to book on to one of our clinics. Alternatively, please follow the instructions in the attached flyer to arrange a clinic appointment.

Sent on behalf of the Vaccination Project Coordinator, Immunisation Service
