**Homework expectations: Fortnightly completion of assessment tasks and revision for examination**

**What does homework look like in this subject at KS4?**

**An example of work set for year 10 or 11. Students will fill in and answer questions like the ones below.**

**Title - What are the key skills and tactics in my chosen sport .**

Start with a table of skills and tactics needed in the game. (are they open or closed skills ?)

**Please use as many skills and tactics as you can. Briefly** list each skill and tactic by using the table below and decide how important the skill or tactic is in the sport and whether they are a strength or weakness.

**Title - Which key skills and tactics are my weaknesses in football and how do they affect the game?**

You need to select at least 4 skills and tactics that you feel (and evidence supports) are your weaknesses and explain why they are so important in the game. You also need to discuss whether the skills are open or closed, simple or complex.
