Dear Parent

**Urgent Safeguarding Concern**

Yesterday afternoon an older man in a black Renault approached our students in two different locations. Firstly outside 'Sparks' newsagents on Queens Road and secondly near the Burrell Arms/ Haywards Heath Station.

This has been reported to the police. If you have any information that would support them with their investigation please call Sussex Police on 101 quoting the crime reference number 1285 301122

This incident is not linked to my previous correspondence regarding a male approaching our students dated Friday 18 November

Yours sincerely

Miss L Gyngell
