

Wraparound childcare

Care for 2, 3 and 4 year olds.

We are able to offer parents the opportunity to purchase additional time in nursery if required.

Our breakfast club starts at 7.30am and includes a choice of healthy breakfast cereals, toast, fruit and yogurts along with fresh juice or a warm drink.

At lunch time we offer a cooked school lunch that is provided by the school meals service. We operate a family service where the children and staff sit together to have lunch served at the table.

Teatime club starts at 3.30 and finishes at 5.30. The children are served a healthy snack and drink. They have plenty time to relax and enjoy playing with their friends and staff from the nursery.

30 Hour Entitlement:

For those families eligible for 30 hours the cost of care is covered in the 30 hour entitlement. There are additional charges for meals, breakfast, lunch and tea.

Care for primary aged children attending Oxclose Primary Academy

We offer wraparound childcare for children attending Oxclose Primary Academy. Nursery staff will drop children off at the Primary School on a morning making sure they are handed over to school staff. At the end of the day children are picked up and brought to the nursery for tea club.
